“The land grant university system is being built on behalf of the people, who have invested in these public universities their hopes, their support, and their confidence.”

-Abraham Lincoln

“AGRICULTURE is our wisest pursuit, because it will in the end contribute most to real wealth, good morals and happiness.”

-Thomas Jefferson

“Whoever makes two ears of corn, or two blades of grass to grow where only one grew before deserves better of mankind, and does more essential service to his country than the whole race of politicians put together.”

-Jonathan Swift

“I know of no pursuit in which more real and important services can be rendered to any country than by improving its agriculture, its breed of useful animals, and other branches of a husbandman’s cares.”

-George Washington
