# Professional TOURS

## TUESDAY, JULY 30

- All tours will depart between 7:30 - 8:30 am
- All tours will return by 2:30 pm

## 1 TAMUG SEA AGGIE MARINE TOUR

Grab your life jacket & spend the day on the water! Join us for a trawl trip on a Texas A&M Galveston's research vessel! Explore physical, chemical and biological oceanography aboard. Sort and identify finfish and shellfish from the trawl and check out the mud for bottom-dwelling animals. See and learn about the Port of Galveston which features oil rigs, cruise ships, container ships, the historical waterfront & the famous concrete ship of Galveston Bay!

- Contact: Julie Massey, CEA-Coastal & Marine Resources, Galveston
- 281-309-5063 | [julie.massey@ag.tamu.edu](mailto:julie.massey@ag.tamu.edu)

## 2 COMMERCIAL FISHING & HARBOR TOUR

Hit the fishing docks with fisheries specialists to learn about economic importance of the snapper, shrimp, oyster, and crab fishing industries. Bring your coolers, too! You may want to purchase some of the freshest seafood on the Gulf.

From the docks, head over to the SEAGULL II, a 50' catamaran which docks at the Texas Seaport Museum. We will join marine biologists for the Marine Biology Tour of Galveston Bay! See dolphins, trawl for marine organisms and explore Galveston Bay's rich history.

- Contact: Julie Massey, CEA-Coastal & Marine Resources, Galveston
- 281-309-5063 | [julie.massey@ag.tamu.edu](mailto:julie.massey@ag.tamu.edu)

## 3 HORTICULTURE TOUR

*Seeding Galveston's* mission; provide year-round sustainable sources of nutritional food choices for residents of Galveston. Visit their urban farm sites developed on vacant land around the island.

Admire a behind the scenes tour of the Horticulture greenhouses that support the Rainforest Pyramid and then tour the Pyramids. On a guided-tour you'll get a rare, up-close, and interactive experience with endangered plants such as the Corpse Flower, Giant Amazon River Otters to Saki Monkeys and an array of birds!

- Contact: Jessica Chase, CEA-AGNR, Brazoria
- 979.864.1558 | [jessica.chase@ag.tamu.edu](mailto:jessica.chase@ag.tamu.edu)

## 4 AGRICULTURE TOUR

Start the day by visiting the leading supplier of hybrid rice seed in the western hemisphere, RiceTec. See their greenhouse, rice fields, seed production facility, the lab, and harvesting and planting equipment.

YOUTH Participant Name: \_\_\_\_\_

## WAIVER, INDEMNIFICATION, AND MEDICAL TREATMENT AUTHORIZATION FORM

1. **EXCULPATORY CLAUSE.** In consideration for receiving permission for \_\_\_\_\_'s participation in any and all activities of TCAAA Youth Tour (herein referred to as "camp"), which is sponsored by TCAAA, (herein referred to as "sponsor"), I hereby release, waive, discharge, covenant not to sue, and agree to hold harmless for any and all purposes sponsor, The Texas A&M University System, the Board of Regents for The Texas A&M University System, Texas Agrilife Extension Service, Texas 4-H and Youth Development Program, Texas 4-H Youth Development Foundation, Texas A&M University, Lakeview Methodist Conference Center, and their members, officers, servants, agents, volunteers, or employees (herein referred to as RELEASEES or INDEMNITEES) from any and all liabilities, claims, demands, injuries (including death), or damages, including court costs and attorney's fees and expenses, that may be sustained by me/my child while participating in such activity, while traveling to and from the activity, or while on the premises owned or leased by RELEASEES, **including injuries sustained as a result of the sole, joint, or concurrent negligence, negligence per se, statutory fault, or strict liability of RELEASEES.** I understand this waiver does not apply to injuries caused by intentional or grossly negligent conduct.

2. **INDEMNITY CLAUSE.** I am fully aware that there are inherent risks to my child, myself and others involved with this activity, including but not limited to: (1) The tendency of an animal to behave in ways that may result in injury, harm or even death to persons on or around them; (2) The unpredictability of an animal's reaction to such things as sounds, sudden movement and unfamiliar objects, persons or other animals; (3) Certain hazards such as surface and subsurface conditions; and (4) Collisions and contact with other animals or objects. I choose to voluntarily participate/allow my child to participate in said activity with full knowledge that the activity may be hazardous to me, my child and my property, and to the person and property of others. I acknowledge there may be physically strenuous activities. I know of no medical reason why I/my child should not participate. **I agree to indemnify and hold harmless INDEMNITEES** from any and all liabilities, claims, demands, injuries (including death), or damages, including court costs and attorney's fees and expenses, which may occur to myself, my child, other participants, and third-persons as a result of my/my child's participation in said activity, **including injuries sustained as a result of the sole, joint, or concurrent negligence, negligence per se, statutory fault, or strict liability of INDEMNITEES.**

3. **NO INSURANCE.** I understand that RELEASEES may or may not maintain any insurance policy covering any circumstance arising from my/my child's participation in this activity or any event related to that participation. As such, I am aware that I should review my personal insurance coverage. Organization may not carry general liability insurance to cover claims arising from this activity so it seeks a waiver of claims as additional consideration for the right to participate so organization, can (a) provide the activity at the lowest possible cost to participants; and (b) provide access to a greater number of participants by expending limited resources on camp program materials rather than on liability insurance.

4. **BINDS HEIRS.** It is my express intent that this agreement shall bind the members of my family and spouse, if I am alive, and my heirs, assigns and personal representatives, if I am deceased, and shall be governed by the laws of the State of Texas.

5. **MEDICAL AUTHORIZATION, INDEMNITY FOR MEDICAL EXPENSES, and WAIVER.** I understand RELEASEES cannot be expected to control all of the risks articulated in this form and RELEASEES may need to respond to accidents and potential emergency situations. Therefore, I hereby give my consent for any medical treatment that may be required, as determined by a medical professional at the medical facility, during my/my child's participation in this activity with the understanding that the cost of any such treatment will be my responsibility. I agree to indemnify and hold harmless INDEMNITEES for any costs incurred to treat me/my child, even if an INDEMNITEE has signed hospital documentation promising to pay for the treatment due to my inability to sign the documentation. I further agree to release, waive, discharge, covenant not to sue, and agree to hold harmless for any and all purposes, RELEASEES from any and all liabilities, claims, demands, injuries (including death), or damages, including court costs and attorney's fees and expenses, that may be sustained by me/my child while receiving medical care or in deciding to seek medical care, including while traveling to and from a medical care facility, **including injuries sustained as a result of the sole, joint, or concurrent negligence, negligence per se, statutory fault, or strict liability of RELEASEES.** I understand this waiver does not apply to injuries caused by intentional or grossly negligent conduct.

6. **VOLUNTARY SIGNATURE.** In signing this agreement I acknowledge and represent that I have read it, understand it, and sign it voluntarily as my own free act and deed; sponsor has not made and I have not relied on any oral representations, statements, or inducements apart from the terms contained in this agreement. I execute this document for full, adequate and complete consideration fully intending to be bound by the same, now and in the future. I understand I can choose not to sign this document and free myself and my child from its terms and the associated risks of the activity by simply not participating in the activity and choosing some other activity available to me/my child that has a lower level of risk to myself and my child. I further understand this is a voluntary, extracurricular activity. While I understand alternative activities are available to me/my child that do not have the risks associated with this activity I still desire to voluntarily engage/permit my child to engage in this activity.
