

TCAAA 2020 Conference Notice:

The TCAAA Preparedness Plan requires me to notify attendees of precautions and guidelines for the TCAAA State meeting.

Face masks are recommended by the CDC. We have face mask ordered, however if you are attending, please bring your own face mask.

Social distancing will be another guideline that needs to be practiced. We have worked with the Embassy Suites, Tri-State Fairgrounds and the Amarillo Civic Center to meet local guidelines.

CDC recommends you wash your hands frequently for 20 seconds with soap.

All attendees must complete a registration form for traceability.

Should you not feel well, we ask that you stay in your room or leave the meeting. You should also notify, JR Sprague at 806-202-5288 if not feeling well.

Please become familiar with the CDC Guidelines for CoVid 19.

Sincerely,
JR Sprague
President Elect
